## **A KINGS BREAKDOWN TO THE FIVE POINTS OF OUR CROWN**

### **LOVE, HONOR, OBEDIENCE, SACRIFICE, RIGHTEOUSNESS**

#### **LOVE**

We as a Nation carry love in our hearts for the crown, the nation, and all true Latin king brothers. We also carry a special love for our Latin queen sisters; for without them carrying the seeds of our future we would cease to exist.

#### **HONOR**

We as a Nation give honor and praise to the nation, the crown, and all true Latin king warriors. We also show honor and respect to our parents for we are the seeds of their future and in us are where their hopes lie.

#### **OBEDIENCE-**

We as kings will follow all rules and regulations handed down by all officers of the holy corona. Follow them we must, for we have chosen them because of their wisdom and trusting them we shall trust their judgment.

#### **SACRIFICE-**

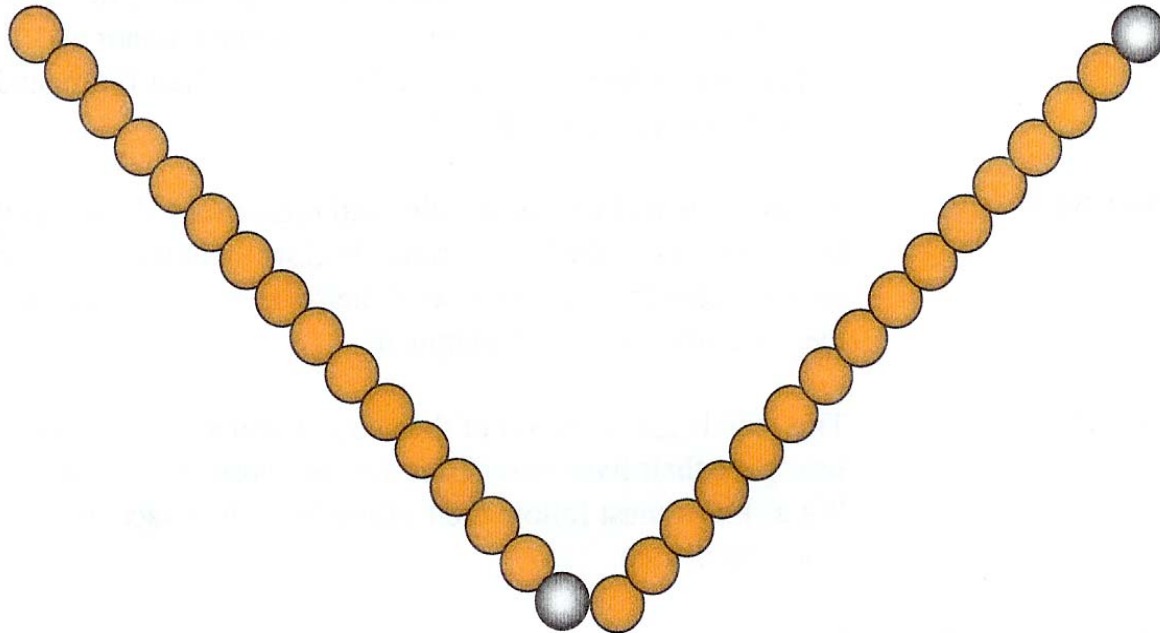

This stands for the blood of those true Latin king warriors who gave their lives unselfishly for the cause of the Nation. We as kings must follow their example so their sacrifices won't be in vain.

#### **RIGHTEOUSNESS-**

We as kings must carry ourselves as righteous people for it is written the righteous shall inherit wisdom, and it is also said that good shall prevail over evil and that those who plant seeds of disharmony and discord shall feel wrath of the Almighty.
